NEW DELHI-85
2018 – 19
CLASS – IV

“Leisure is a pre-requisite to fulfilling one’s dreams and aspirations.”

Vacation does not only provide ample free time to the students to re-energize and rejuvenate but also provides an opportunity to explore new world out of their textual world. Do spend some quality time with your kids to inculcate a sense of true discipline and values of love and respect.

You must have started making plans to visit your grandparents, relatives and friends, watching television during the day, taking a dip in the swimming pool and joining some activity classes with your friends.

This is the time when days are long and hot. In order to break the boredom and monotony of life and fill it with fun and frolic, we have designed enriching holiday homework.

We wish that you enjoy every minute of this long break with your family and friends. It will be great if you are able to visit museums and monuments, learn new things, explore new areas near your house, play indoor and outdoor games, read as many story books as you can, help your parents and grand-parents, go for morning walk and play in the park in the evening during your long summer break. The holiday homework has been designed to help the children keep in touch with subject related creativity. Attempt them neatly and submit the homework to your teachers after the vacation on 6 July, 2018.

Hope you all will enjoy the homework and will come back with an impressive and enriched soul.

With Best Wishes!!! Wish you all a very enjoyable and fun filled summer break.

Q4. Adopt the policy of Reuse to save Mother Earth. Make a pencil holder using waste materials such as coke cans, talcum powder, bottles, buttons, etc.

SOCIAL SCIENCE

A) Visit a monument during the summer and gather some information about it and prepare a verbal presentation of about 1-2 minutes to be delivered in the class. You may keep the following points in your mind –
